1966

To Cyn,
 one of my closest friends
 and lifelong buddies. May we
 always stay that way! Keep
 goin' on the guitar and keep faith.
 This doesn't sound like me at all but
 that's the way it goes!

Paul
 "70" or bust!

Cyn

you're a real sweet
 and cute girl. Stay
 that way. May we be
 "lifelong buddies, as
 Paul said. Remember
 all the fun we've
 had. Don't forget me +

Cyn,
Hi, long
time no see but baby
lets make-up for it this
year with Kevin & Rose (plus others)
Anyway, you're a real sweet friend, stay
that way and you'll go far. Hope we have
a swingin' time in French, this summer, and in
our future home and friendship. You're really a good friend
lets stay the way until we get our Hondas! (No more Ho!)

In the past we have had a light
which flickered, in the present
we have a light which flames,
and in the future there will be
a light which shines over all
the land and sea —

In Memoriam to John Charles Hilborn.

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you-oh, you who the wildest yearn
For an old time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead — he is just away.

For the second straight year the powerful Albion High football team racked up another Twin Valley Championship, and a #5 rating in UPI polls. Led by All-Stater and Most Valuable Player Rick Burlingame, and 3 year starter Bill Keller. The team, which was one of the best the school has ever had, compiled a 7-1 record, losing only to St. Johns, who eventually became state Champs.

The coaches, Ivan Muhlenkamp and Ken Foust, must be given much credit for bringing the team along, a team which placed 9 men on the All-Twin Valley squad.

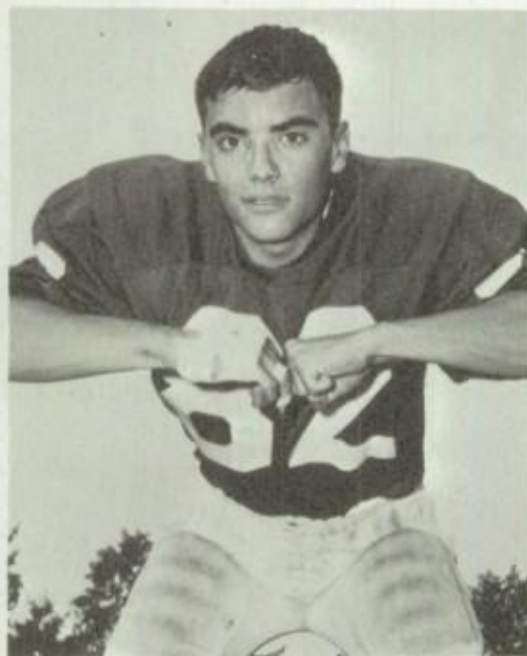

We salute Albion High's mighty football team.

Basketball

Despite the lack of returning lettermen this fall, Albion's mostly junior team surprised both fans and foes alike. Coming on strong at the end of the season, the Wildcats shared the Twin Valley Championship with Hillsdale.

In tournament play the Wildcats de-

feated Marshall in overtime after losing twice to the Redskins during the regular season, to become district Champions. In the regional tournament Albion went into overtime play once again, this time losing to Coldwater in an exceptionally close game.

Golf

Tennis at Albion is again becoming stronger. The past couple of years, the crop of tennis players has increased, after a sudden drop to almost none. Under the direction of a new coach, Kenneth Foust, the squad has had a fine year, considering it had only four letter winners back. Coach Foust, plans for tennis at Albion in the future are many. A new reserve squad was formed this year. One main plan of Foust's is to start a summer tennis program at Albion, in order to get many more boys to go out for tennis.

The eighth grade is a stimulating year in high school. It is a year when most students learn to assume responsibility in carrying out their assignments. They also learn that cooperation and courtesy are essential qualities they must utilize to achieve success. And of course, besides the usual homework or the problems in math, most students find that the pleasant social atmosphere of Albion outweighs the homework.

Seventh grade students encounter new experiences when they come to Albion High School. These transitions are just part of some of the necessary requirements for growing up to be a responsible and co-operative individual. To be a good citizen is not enough, one must demonstrate enthusiasm and interest in the opportunities available in order to gain the full benefits.

Los Buenos Vecinos

"El Club de Los Buenos Vecinos" under the supervision of Mrs. Mildred Ford and leadership of Vladimir Hirscht, President; Connie Dickmeyer, Vice-President; Jan Slick, Secretary; and Mary Ford, Treasurer, had a very interesting and enriching year.

Highlighting the year's activities were the delicious Spanish dinner, spiced with the hot Latin dishes, and intriguing films of Mexico, shown by the Dickmeyers and Kathy Baker and those of Brazil, presented by Anna Mattar, exchange student. Christmas, Navidad, was celebrated with true tradition at the home of Nan Strohmenger. Throughout the year two groups of members were initiated with the usual antics. As is customary, the spring picnic ended the year with many good memories.

Every member thoroughly enjoyed the educational and memorable year.

Le Cercle Francais, Albion High School's French Club, is an organization of students who meet together to develop an understanding of the French people and their language.

This year among other activities the French Club has initiated a program with Marshall High School, in which the two French Clubs hold joint meetings to share ideas and interests. At this year's meeting, which was held in Albion, slides of France, Switzerland and Germany were shown.

Le Cercle Francais has been under the direction of Ingrid Johnson, President; Jeneen Holtz, Vice President; Donna Holcroft, Secretary, and Bill Davey, Treasurer. Miss Janice Ross was the advisor.

The Albion Math Club is a chapter of the National High School Mathematics Clubs, Mu Alpha Theta. This organization hopes to reward sound scholarship in the math field and to promote enjoyment of mathematics. The National Association operates on both the High School and Jr. College levels.

Mu Alpha Theta grants charters to clubs and publishes a monthly newspaper with news of the clubs organized, suggestions for programs, puzzles, and quizzes. Students who have completed Algebra I with a B average are invited to become associate members. Full members must have also completed two semesters of Geometry.

Cindy Hume served as President until recently moving. Her duties were assumed by Tom Abendroth, the Vice-President. Donna Holcroft is the club Treasurer, Jane McAuliffe the secretary, and Earl Cook, the Sergeant-At-Arms.

After each meeting a program is presented by one of the members of a guest speaker. Guests have included: Mr. Ashdown, Mr. Muhlenkamp, and several speakers from Albion College. Until this year the Math Club members operated a tutoring service, but adequate interest was not shown in the project this year.

With the rapid growth in scientific technology today, high schools across the United States are intensifying their science programs to meet the needs of present conditions. Albion's science department is no exception. Both students and faculty alike are expanding their knowledge of science by developing interest among the student body. The Biology, Chemistry and Physics students are fortunate to have a club which encourages individual, as well as group participation in the sciences. Bi-Phi-Chem members have participated in a number of activities which promote the aims of their club: To help students understand fundamental theories, to perfect skills, and relate science to everyday living.

Jr. High Student Council

Junior High Student Council Members organize many activities for the benefits of their fellow students. They quickly become acquainted with parliamentary procedures and the privileges granted to them. Under the enthusiastic leadership of Mr. Ordell McElhaney student council members carried out the annual tardiness contest, planned entertainment for the student body and set examples of good sportsmanship, scholarship, and established a pleasant atmosphere among students.

Tastemakers

Although the name is deceiving to some Albion students, the Tastemakers are going strong and in the right direction. They have the reputation of being one of the more active groups in school. Their activities include a variety of well-picked programs, hootenannies, concerts, and other cultured programs. The Tastemakers have developed considerable enthusiasm among AHS students in the arts and other asthetic qualities.

Each year the Thespians embark upon producing exciting productions. Mr. Micheal Beery Thespian club advisor and play director of the annual performance cast another excellent play. Requirements for becoming a Thespian are attaining a specific number of points for participating in the cast, sets crews and make-up committees. Other activities included a trip to Western Michigan University for a drama workshop and tentative plans to attend a professional performance.

Care for a movie on insects? Well, all you have to do is find an audio visual aid assistant and you can have that movie. Although Albion does not have sufficient equipment for the size of the school and the number of faculty utilizing its facilities, the Visual Aids group is considerably organized and efficient. Under the direction of Mr. Jerome Sacharski, films and tapes are distributed to teachers at their convenience. Our thanks should be given to the persons responsible for making and showing the movies available for our benefits.

Debaters Successful Again

To be an efficient debater one must master the ability to state clearly and persuasively. These qualities attribute to the success of Albion's Debate squad. Coached by Mrs. Ethel Fleenor, the debaters captured third place in the state tournament held in Ann Arbor, March 10 and 11. The topic debated this year was "Resolved: That the Federal Government should adopt a program of compulsory arbitration of labor management in basic industries.

Tournament debaters included Dave Rammelkamp, Jon Gaskell and Bill Davey.

Albion's squad is also to be congratulated for its Twin Valley League Championship and an impressive record of 17-3.

The Future Nurses' Club is a resourceful organization which unfortunately is losing ground at Albion High due to lack of participation. Teaching the fundamentals of nursing is only one part of the Nurses Club, as members learn the responsibilities expected of them and the vastness of the nursing field. With such an interesting program it seems tragic to note, a lack of interest on the part of the students.

Co-op is a means by which in-school education combines with the on-the-job training to prepare for future full time employment. Local business and industry participates by employing in-school students part time during the school year. The emphasis is on training that the student receives that is consistent with his career objective.

Our program involves training in Distributive, Office, and Trades occupations. Distributive occupations include retailing and service groups. Students employed in Distributive areas are working in department stores, restaurants, food stores, service stations and drug stores. The office occupation students are working in business and industry preparing for careers as secretaries, typists, receptionists, and filing

clerks. The trades are diversified. The nursing program at the hospital is in the T&I group. Other T&I training areas include auto mechanics and drafting.

To qualify as a trainee, the student has to be employable. This means that the student should have the necessary course background while in school. The trainee has responsibilities similar to full time employees where he is employed. The trainee is paid an hourly wage which varies with each employer. Besides being paid, the trainee receives one credit toward graduation. At the end of the school year, the student receives a certificate of achievement that can be used as a reference for future employment.

Breeze Annual Staff

"The object of the National Honor Society shall be to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of Washington Gardner High School.

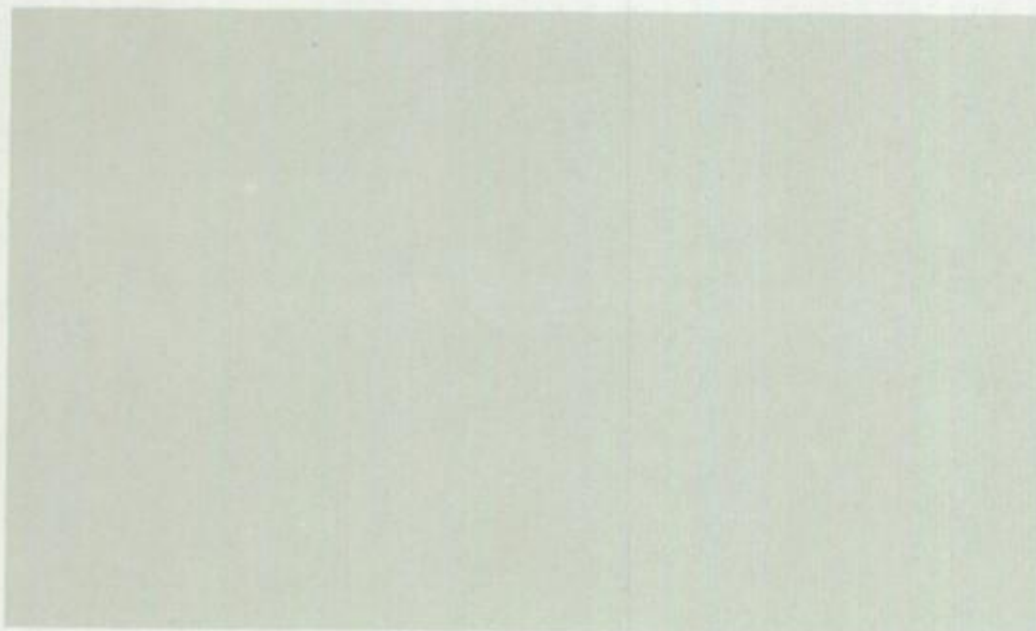

"Ten percent of the seniors and five percent of the juniors may be elected to membership.

"An annual initiation is held in March for the new members elected by the faculty."

Senior Band

The Albion High School Band has had a busy year. Between four concerts and numerous parades, the Band members have carried on several fund-raising projects, including bake sales, candy selling, and even a dance. Besides the all-Band activities several individuals took part in the State sponsored Solo and Ensemble and all-State Band and were a credit to their school. Mr. Abel, the ever-determined director, also deserves honorable mention for this year's well-played concerts.

As for the near future, our Band will represent Albion at the Traverse City Cherry Festival in July while plans for a Band Camp have also been made in hopes of improving the appearances at the football games.

Varsity Choir

With smiles on their faces the Albion Varsity Choir, under the direction of Mr. Larry Ley, fills any room with an atmosphere of versatility. The harmonious voices of the group mostly juniors and seniors number over seventy.

The highlight of the year was the combined efforts of the Music department in their excellent presentation of the "Sound of Music." Another memorable experience of the choir and the audiences who heard the Varsity Choir included the annual Christmas Concert, the Spring Concert, and the annual trip to Western Michigan University to combine talents with other students in Southern Michigan.

The end of the year for 1966 Seniors will be traditional Senior Farewell and the performances at Baccalaureate and Commencement. Looking over the activities of the Varsity Choir, it is evident they have enjoyed a memorable and exciting year.

G.A.A.

The Girls' Athletic Association has undergone drastic and beneficial transitions this year. For the first time since the establishment of the club, all but one of the officers are sophomores. Under the direction of Mrs. Barbara

Shiery, the association has tripled their treasury in less than two months. To promote school spirit and boost their treasury, AHS badges were sold to students and faculty.

'Sound of Music' Presented

"The Sound of Music" (Rogers and Hammerstein) was chosen by the Vocal Music department of Albion high school as this year's musical production, Larry Ley, director, announced performances which were scheduled for March 25 and 26. All members of the three high school choirs took part in the production. The student directors of the "Sound of Music" were Debbie Green and Gil Johnson.

The musical play, the last work of the sensational team of Richard Rodgers and Oscar Hammerstein, starred Mary Martin in one of Broadway's longest runs.

HOMECOMING 1965

Homecoming 1965 at Albion High School was one not to be soon forgotten. Eight excited girls, and a whole school, waited expectantly for the half-time crowning of the Homecoming Queen. Sophomores, juniors, and seniors were all proud of the floats that class effort had produced, and were eagerly waiting to display them.

Finally, the long-awaited half-time began with a fine program presented by the band. Following the music, the three class floats rolled on to the field to the cheers of their builders. The sophomore float, an old-fashioned washing machine, titled "Wring out those Johns" lead the way. Next came the junior float, "K.O. the Gaels". The Senior float won the prize for the best float with their large "Gael-otine."

Excitement grew as the four convertibles carrying the eight charming candidates for Queen and their escorts circled the field. The court included Mary Chauncey with escort Jim Streeter, Linda Fraser with escort Howard Lentz, Rosalie Kanengeiter with escort Dave Kubicek, Mary Lou Konkle with escort Warren Hepler, Barb Johnson, with escort Dave Steffe, Sharon McAuliffe with escort Dick Porter, and Merrily Young with escort Greg Pulling.

It was then that Shirley Vitale was announced as Homecoming Queen 1965 and was crowned by Principal Harry Williams and presented with the traditional bouquet of roses.

Radiant Queen Shirley and her court reigned over the annual Homecoming dance at the Albion Armory following the game.

Jr. Exhibition a Success

The Class of 1967 presented their Junior Exhibition on February 24 and 26. The play, "The Ugly American", adapted from Lederer's book of the same name, was directed by Mr. William Terrell who was assisted by Student Director Connie Dickmeyer.

Anna Mattar

Albion High School was fortunate to have Anna Lucy Mattar as an exchange student this year. She is from Rio de Janeiro, Brazil, and her American home is with Mr. and Mrs. Richard Young of Orchard Drive. Anna's brother, Eduardo, was an exchange student last year. Anna has been in the United States since December and will leave about the middle of July. She is sponsored by the Youth for Understanding Teenage Exchange Program, of which Mr. and Mrs. Young are area representatives.

We at A.H.S. have been fortunate to have such a sparkling, happy personality in our midst.

AHS Seniors Fred Wintermute and Conrad Bushong get some pointers on metal casting design from AMICO Designer Donald Buckler, AHS Class of '59.

Albion High School Seniors Fred Wintermute and Conrad Bushong are learning for the future. They are learning the principles of mechanical drafting and metal casting design as AHS/Albion Malleable Iron Company co-op students. Recognizing the vital importance in modern industry of well trained employees, AMICO actively supports high school and college cooperative training programs. AMICO has apprenticeship programs in several skilled trades — and encourages college education through scholarships and financial assistance to employees wishing to further their education. If you want a part in the future — check into the advantages of being a part of a progressive foundry. Check into the educational opportunities offered by the Albion Malleable Iron Company.

Remember this
Clay P when I wrote
the book in Sub's book to
find out! I hope to have a good camp
out next week don't you? Say hi to every
body that I know to them. Well I guess
I won't write the rest of the page, I'm too tired.
